Public Works Department.

E.B.(I).

This is an application from Shri. J.J. Patel, temp. Ex. Engineer,, who is at oresent working as Rationing efficer (Iron and Steel), reg. his passing the profit bramn and drawal of increasements in the Ex. Engrs scale. Prior to his apptt. in this Department Shri. Patel ~~he~~ was an Engineer of the D.L.B. Surat, for the period from 4-1-28 to 8-12-44. He was taken up in Government service and appointed as Temporary Deputy Engineer with effect from the 9th December 1944 and subsequently confirmed as permanent Deputy Engineer in the B.S.E., Class II, vide G.Rs., P.W.D., No. 6907/36, dated the 2-12-44 and the 18-2-46. Subsequently he was deputed to the Housing Organisation and was appointed as Provincial Iron and Steel Rationing Officer (now called Rationing Officer, Iron and Steel) with effect from the 10-5-47 in the B.S.E., Class I, Executive Engineers' scale to Rs. 510-30-660-E.B.- 40-1,020. which scale is now revised to Rs. 500 (sixth or any earlier year) 30-650-E.B.- 45-1,100. In a 1948 , some posts of temporary Executive Engineers in the B.S.E., Class I, were advertised by this Department through the B.P.S.C. In response to this advertisement, Shri. Patel applied to the B.P.S.C. and was selected by that body for appointment as temporary Executive Engineer. He has been appointed as temp. Ex. Engr. with effect from the 27-1-49.

as per G.L. No. 9810/36-E(I), dated the 27th Jan. 1949. Shri. Patel has accordingly rendered service as under :-

Appointment.	Period. From	to
Temp. Deputy Engineer in B.S.E., Class II.	9-12-44.	8-12-45.
Perm. Deputy Engineer in B.S.E. Class II.	9-12-45	9-5-47.
Officiating Executive engineer in B.S.E. Class I.	10-5-47	26-1-49.
Temp. Ex. Engineer in the B.S.E. Class I.	27-1-49.	to-date.

His increments as officiating Engineer are to be regulated according to G.R., P.W.D., No. 155/38, dated the 18-1-49, and those as temporary Ex. Engineer in accordance with G.R., P.W.D., No. 156/38 dated the 27th December 1949- vide Government Letter No. 156/48-E(I), dated the 27-1-47. The A.G. Bombay, has not allowed increments to Shri Patel as he (Shri Patel) has not passed the fe Provincial examn. prescribed for the Deputy Engineers in the B.S.E., Class II, and also on the ground that as Shri. Patel is a permanent member of the B.S.E., Class II and was promoted as officiating Executive Engineer on the 10-5-47 he cannot be treated as directly recruited temp. Ex. Engineer- In his application under disposal, Shri Patel has represented against the A.G's action in not allowing him to draw increments Shri. Patel states that he was promoted from the post of D.L.B. Engineer. as Deputy Engineer in the B.S.E., ClassII and he was aboeve 35 years of age on the date of his promotion, viz,, the 9th December

1944 and on the date of his appointment as Temporary Executive Engineer (viz. the 27-1-49) he was above 45 years of age, he is, therefore, exempted from passing the provincial examn. under rule 1(b) of the Rules reg. the Provincial examn of Deputy Engineers (II) and para 1(ii) of G.R., P.W.D., No. 9437/36, dated the 25th October 1949. Shri-Patel's contention that he is exempted from passing the provincial examn both as Deputy Engineer and as temporary Executive Engineer is correct He is, therefore, entitled to draw increments in his substantive pt. appointment as Deputy Engineer and as temporary Executive Engineer. Incidentally, it may be stated that as officiating Ex. Engineer for the period from the 10-5-47 to the 26-1-49 he is not eligible to draw increments in the Executive Engineers scale ~~is-not-eligible~~ as he has not completed six years' service either as Deputy Engineer or as Deputy Engineer and Ex. Engineer together. On his appointment as temporary Ex. Engineer with effect from the 27-1-49 he is, however, entitled to draw annual increments in the Ex. Engineers scale . vide G.R., P.W.D., No. 156/36, dated the 27-12-49 and G.L. No. 156/36-E(I), dated the 27-12-49. He may be informed as per draft put up for approval. It may issue after U.O.R. to the P.&S. D. and the F.D.

No. 156/48-E(I). Public Works Department,
B.C.(Bombay No.1),
11th April, 1951.

To

Shri. J.J. Patel, B.E.
Rationing Officer (Iron and Steel)

Subject :- Exemption from passing the Prefl. Exam. and drawal of annual increments.

.....

Reference :- Your letter No. 4867/E dated the 15th November 1950.

2. Your view that according to rule 1(b) of the Rules reg. the Provincial Exam. of Deputy Engineers in the B.S.E., Class II, and G.R. P.W.D., No. 9437/36, dated the 25-10-49, you are exempted from passing the Provincial Exam. prescribed for the Deputy Engineers in the B.S.E., Class II, or Assistant Engineers in the B.S.E., Class I, is correct. Your contention that your appointment as temporary Executive Engineers in the B.S.E., Class I w.e. with effect from the 27-1-49 is by direct recuitment is also correct. Accordingly, you are eligible to draw annual increments in your permanent appointment as ~~temporary~~ Deputy Engineer in the B.S.E., Class II, and on your appointment as temporary Executive Engineer in the B.S.E., Class I, with effect from the 27-1-49.

2. The point needing clarification is whether Shri. Patel's contention that he is exempt from passing the professional examn prescribed for Deputy Engineers is correct please see in this connection Rule I(b) regarding the professional Examn of Deputy Engineers printed as an accompaniment to G.R. P.W.D.-No.,630/36 dated the 9-10-42. According to this Rule only these Deputy Engineers who were promoted from the rank of permanent or temporary Supervisors and permanent overseers and whose age is over 35 years are exempt from passing the exam Shri. ~~Ptel~~ Patel was an engineer in the D.L.B., Surat, and it is not clear whether he was a permanent or

temporary supervisor or a permanent overseer in the service of the D.L.B. The P.W.D. may be requested to clarify.

P.W.D.

Submitted with reference to this ~~draft~~ Dept note dated 6-2-51.

2. The P.W.D. was not answered the specific querry viz. whether Shri. Patel is exempted from passing the Professional exam, prescribed for Deputy Engineers in terms of Rule 1(b) of the rules accompanying G.R. P.W.D., No. 630/36 dated the 9-10-42. Shri. Patel was an Engineer in the service of the D.L.B. Surat on pay of Rs. 350 p.m. prier to his appointments as Deputy Engineer in the B.S.E. Class II. As the pay he was getting is more than what ordinarily an Overseer or supervisor will draw and his age was over 35 years, he may perhaps be considered as exempt from passing the exam. referred to in terms of the rule referred to above. Subject to orders on this point, the P.W.D., proposal may be agreed to.

P.W.D. may confirm this after orders are issued e

Subject:- Pay of Shri. J.J. Patel,
Temporary Executive Engineer.

Sir,

I am to invite a reference to Government confidential letter, Public Works Department No. 9810/36.E(I) dated 27-1-49 under which Shri. J.J. Patel is appointed as a Temporary Executive Engineer in the Bombay Service of Engineers Class I and allotted to the labour Department and to Government letter, Public Works Department No. 156/48-E(I) dated 11-4-51 in which it is stated that Shri Patel is eligible to draw annual increments on his appointment as Temporary Executive Engineer in the B.S.E. Class I with effect from 27-1-49 and to observe as follows

i) Shri. J.J. Patel was appointed as Deputy Iron and Steel Rationing Officer with effect from 10-5-47 and from that date he was holding post created in the B.S.E. Class I scale of pay vide Government Resolution, Political & Services Department No. 538/46 dated 3-5-47. He was allowed increments accrued in that scale while holding that appointment. In this connection a reference is invited to

Government letter, Public Works Department No. 156/48 E (I) dated 27-12-49, Government Resolution, Public Works Department No. 156/48 dated 27-12-49 and Government L & H.D. Memorandum No. 64/48/3624-E dated 12-2-51. a copy of which is enclosed for ready reference.

ii) Shri. Patel's pay was regulated in the B.S.E. Class I scale from 10-5-47 and increments allowed in that scale. On his appointment as an Executive Engineer in charge of a Division with effect from 14-8-51 ~~xxxxxxxxxxxxxxxxxx~~ (vide Government letter, P.W.D. No. LTS/1151E-1 dated 8-6-51. He was allowed to draw pay at Rs. 620/- p.m. which was his pay in B.S.E. Class I post from 10-5-51 and allowed increment raising his pay to Rs. 650/-p.m. from 10.5.52.

iii) Though the officer is drawing pay since 10-5-47 in B.S.E. Class I scale of pay since the posts of Deputy Iron and Steel Rationing Officer and Provincial Iron and Steel Rationing Officer were not treated as addition to the Public Works Department cadre vide Government L.D. letter No. 670/46/41975-E dated 3-12-49 (copy enclosed) and in view of the orders in P.W.D. letter No. 156/48-E(I), dated 11-4-51 a doubt is felt whether pay allowed to Shri. Patel in his appointment as Executive Engineers as in para 1(ii) above is in accordance with the intention of Government or whether he is to be considered to have started in B.S.E. Class I from 27-1-49 on Rs. 500/- p.m. and pay as Executive Engineer regulated according to which his pay would be Rs. 560/- p.m. from 14-8-51 and Rs. 590/- p.m. from 27-1-52.

2. In the circumstances explained above, it is requested that orders regarding Shri. Patel's pay as Executive Engineers from 14-8-51 and subsequent increments may please be issued early.

Yours faithfully,

Id/-

Assistant Accounts Officer.

Sgk/6-2.

156/48/18214

P.W.D.
"E"

In his letter under disposal the A.G., has referred to Government the question reg. fixation of pay of Shri. J.J. Patel temporary Executive Engineer Banas Kantha Division, Shri. Patel was a pt. D.L.B. Engineer, Surat. He was taken up as temporary Deputy Engineer with effect from the 9.12.44 and subsequently confirmed as permanent Deputy Engineer He was deputed to the Housing Organisation and was appointed as Deputy Iron and Steel rationing Officer with effect from the 10-5-47 and thereafter as R.A. (I&S) in the B.S.E. class I Executive Engineers scale. The A.G. in his letter has furnished the information as to how Shri. Patel's pay in the Executive Engineers scale has been regulated. Please see in this connection the following proceedings :-

(i) G.R., P.W.D. No. 156/48, dated the 18-1-1949.

(ii) Notes on pages 11-35 of notes section of file No. 156/48 I and especially the office note dated the 7-4-49 and the Secretary P.D's note dated the 14-7-49.

(iii) G.R., P.W.D., No. 156/48, dated the 27-12-49

(iv) G.L., P.W.D., No. 156/48, dated the 27-12-49, containing the orders reg. admissibility of increments to Shri. Patel in the Executive Engineer's scale.

(v) Office note dated the 10-1-51 and G.L. No. 156/48,E, dated the 11-4-51.

As shri. Patel had, not completed 6 years service as Deputy Engineer and Executive Engineer to gether he was not entitled to draw increments in the B.S.E. Class I Executive Engineers scale during the period he held the post of Deputy Iren and Steel Rationing Officer and R.O. I&S) for the period from the 10-5-47 to the 27-1-49, the date on which he was appointed as temporary Executive Engineer after selection by the B.P.S.C. The A.G's action in allowing Shri. Ptel to draw increments in the Executive Engineer Engineerss scale was not strictly speaking correct. As, however, the posts of Deputy Iren & Steel Rationing Officer & R.O.(I.&S.) were not treated as temporary addition to the B.S.E., Class I cadre the pay allowed to Shri. Patel by the A.G. may be accepted in u.e. consultation with the F.D. His service from the 10-5-47 to the 26-1-49 can not however be allowed to count for increment in the Executive Engineers scale after his appointment as temporary Executive Engineer after selection by the B.P.S-E. with effect from the 27-1-49. After his appointment as temporary Executive Engineer, with effect from the 27-1-49 Shri. Patel is eligible to draw normal annual increments in the Executive Engineer's scale of Rs. 500-30-650-E.B.-45-1, 100 in view of the orders in G.R., P.W.D No. 156/48, dated the 27-12-49 and G.L. No. 156/48-E, dated the 27-12-49. In the circumstances it appears that Shri Patel's pay in the Executive Engineer's scale will have to be regulated as under and the A.G. informed accordingly.

A

Date.	Pay Rs. p.m.
27-1-1949	500
27-1-1950	530
27-1-1951	560

156/48/18214.

E.Br. P.W.D.

Resubmitted with reference to the C.E.((R&B)'s note on page 8 ante.

2. The statement at 'A' on p. 7 ante. is based on the orders issued on G.R. No. 156/48, dat dated the 18-1-1949. Presumably the A.G. Bombay has allowed the increments to shri .J.J. Patel y under the impression that the condition of six years' service for the drawal of first increment in the Executive Engineer's scale is not applicable in the case of Shri Patel, as he was selected from the B.S.E. ClassII , vide A.G's letter No. G.II B.S.E. II /1913, dated the 9-7-1948.

It is for consideration w hether the above presemption may be get confirmed from the A.G.

Subject:- Increment over Rs. 510/- in B.S.E. Cl. I scale of pay according to the year of service.

Sir,

I have the honour to invite a reference to the Government of Bombay Pol. and services Department Notification No. 538/46-2 dated 29-5-47 appointing Mr. J.J. Patel as Deputy Iron and Steel Rationing Officer, Bombay in B.S.E. Cl.I scale of pay and to state that he has been allowed to appoint- draw pay at Rs. 510/- p.m. from 10-5-47. The Officer was from 9-12-44 and was confirmed on 9-12-45. He has been promoted as officiating Executive Engineer in B.S.E. Cl. I from 10-5-47. He has rendered service as Deputy Engineer for 2 years, 4 months and 28 days and as Executive Engineer for 1 year. According to the scale of pay shown at para 326 of the Bombay Civil List corrected up 1-7-47 no increment over Rs. 510/- may be allowed until the officer completes his 6th year of service as Assistant Engineer in B.S.E.

*appointed as a temporary Deputy Engineer in B.S.E. Cl. II.

Class I. It is presumed that of service shown in the Civil List according to the year of service, applies duly to, these officers who are directly recruited as Assistant Engineers ~~who are promoted as Executive~~ Ex in B.S.E. Cl. I If the presumption is correct this office may please be informed if the Deputy Engineers who are promoted as Executive Engineers can get the benefit of drawing increment above Rs. 510/- without the restriction of the year of service applicable to the direct recruits in B.S.E. Cl. I in this connection, a reference is invited to this office U.O. Reply No. GII. IS.E. 1148 dated 31-5-48 regarding the drawal of increment by Mr. K.P. Bathiwala and it is requested that necessary orders of Government in the matter may please be issued at an early date.

Yours faithfully,

Sd/- S. Vaidyanathan.

Sd/-

Provincial Iron and Steel Rationing Officer.

No. S/806 ,of 1953.

Executive Engineer's Office,

Banas Kantha Division,

P.W.D.,

Palanpur, 30 April, 1953.

To

The Chief Engineer to Government,

P.W.D., Bombay -

Subject:- Pay of Shri J.J. Patel, Temporary Executive Engineer.

Reference :- A.G. Bombay's letter No. G.V. BSE/5754 dated the 13th February, 1953, addressed to the Secretary to the Government of Bombay, P.W.D., Bombay (Copy enclosed for favour of ready reference).

Sir,

May I invite the favour of a reference to the above-quoted letter of the A.G. Bombay, and earnestly request you kindly to consider the following special facts and circumstances of my case, and move Government kindly to confirm the grant of due increments to me in the Executive Engineer's grade, as from 10th May, 1947, the date from which I commenced efficiating as an Executibe Engineer in B.S.E. I scale and in which grade (B.S.E.I.) I have been continuously working since that date?

Mine is a special case of transfer of services to Government in 1944 from a semi-Government body, namely the District Local Board Surat, where I worked as

Engin

Engineer (approved by the Government of Bombay under the Bombay Local Boardds Act in G.R., G.D., No. 7135 dated 14-3-1928 and G.R., G.D. No. 1124 dated 9-2-1937) from 4th January, 1928 to 9th December, 1944. My transfer to Government was first on a loan basis as from 9-12-1944 (vide please G.R. P.W.D., No. 6901/36 dated 2-12-1944) under special orders of His Excellency, the Governor of Bombay, and subsequently permanently with effect from 9-12-1945 (vide please G.R., P.W.D. No. 6907/36 dated 18-2-46) I respectfully enclose herwith a true version or Resolution No. 48, dated 21-2-46 of the District Local Board, Surat in regard to my work while under the board, as received by me through Government in the P.W.D. (vide please Government P.W.D. endorsement No. 6907/36-E (I) dated 20-9-46) which speaks for itself, for favour of your kind perusal, please.

I worked in B.S.E. II from 9-12-44 onwards till 9-5-47, when Government was pleased to promote me as an officiating Executive Engineer (Presumably in virtue of my standing and experience in the Surat D.L.B.) and my services were transferred, to the Labour & Housing Department to work as Deputy Iron & Steel Rationing ~~notification~~ officer in B.S.E. I on Rs. 510/- p.m. (vide please P &S.D. notification No 538/46, dated 29-5-1947, A.G., Bombay 's letter No. G.II B.S.E. II /1913 dated 9-7-48, and G.R., P.W.D.. No. 156/38 dated 18-1-1949. copies attached for favour of ready reference please). I specially invite the favour of a perusal of A.G. Bombay's letter No.G.II B.S.E. II/1913 dated 9-7-1948 to Government in the P.W.D. which stated that I had been promoted as

Officiating Executive Engineer in B.S.E. Class I from 10-5-47 and worked out the service rendered by me as upto 10-5-1947 " as Deputy Engineer for 2 years 4 months and 28 days and as Executive Enginee for one year" and to paragraph 2 of G.R., P.W.D. No. 156/48 dated 18-1-1949 which clearly stated that I was an " Officiating Executive Engineer who is appointed as Deputy Iron & Steel Rationing Officer". Later, I was raised as Provincial Iron and steel Rationing Officer as from 10-8-1948 (vide please Government Labour Department Notification No. 670/46 dated 3-8-1948). The posts of Deputy Iron and Steel RationingOfficer and Provincial Iron and Steel Rationing Officer were posts in B.S.E.I, E.E.'s scale (vide please G.R. Labour Deptt. No 670/46 dated 28-5-1949, copy enclosed please). It will thus kindly be seen that Government has been pleased to recognise me duly as an officiating executive Engineer since 10-5-1947, in terms of paragraph 2 of G.R., P.W.D. No. 156/48 dated 18-1-1949, working in Iron Control as upto August 1951, in posts carrying the B.S.E. I Executive Engineer's scale of pay. It is therefore respectfully submitted that the question whether the posts of Deputy Iron and Steel Rationing Officer and of Provincial Iron and Steel Rationing Officer were treated as additions to the B.S.E. I cad er not would not matter in my case, as I have been duly recognised as officiating executive Engineer wi

with effect from 10-5-1947 in paragraph 2 of G.R. P.W.D. No. 156/48 dated 18-1-1949. This G.R., P.W.D. No. 156/48 dated 18-1-1949 does however place a ban on my drawing increments as an officiating Executive Engineer on the Score of my not having rendered six years' service under Government by 10-5-1948 when I completed my first year of service as Officiating Executive Engineer appointed to work as Deputy Iron and Steel Rationing Officer. In regard to this ban for not having done six years of service under Government as Deputy Engineer before 10-5-48, I submit that I was a Government aprroved Engineer under the District Local Board, Surat from 4-1-1928 to 9-12-44, (When I left the Board on transfer to Government), a post which statutorily vested in me technical powers more or less corresponding to those of an Executive Engineer and carried very heavy district responsibilities. In fact, it was only in virtue of the responsible work ~~in Government~~ done by me in that post that Government was pleased to take me up in Govt, as a special case, in relaxation of the normal rules of recruitment (vide please para 1 of G.R., P.W.D., No 6907/35 dated 2-12-44), and to give me specially a higher starting pay of Rs. 350/- p.m. in the then B.S.E. II, scale of Rs. 170/- to Rs. 500/- which emoluntee amounted to 14 advance increments in that scale. Presumably I was promoted as Officiating Executive Engineer and placed in Iron control in B.S.E.I E.E.'s scale or pay with effect from 10-5-47 also; in virtue of my standing and long experience of 17 years in the Local Board as Government approved District Engineer prior to my transfer to Government in 1944. The great D.L. Board's Resolution No. 48 dated 21-2-46 attached herewith for my work in the board. It is my humble submission that

such responsible and meritorious work in a statutory local body as a Government recognised District Engineer, over a long period of some 17 years deserves special consideration and I respectfully request the favour of Government kindly issuing very early orders that in my special circumstances I should be exempted as an exceptional case from the provisions of para 1 of G.R., P.W.D. No 156/48 dated 18-1-1949, and allowed to draw my due increments as an officiating Executive Engineer with effect from 10-5-47 onwards. With your kind permission, I reproduce below for favour of your kind perusal , an extract from the Bombay Housing Commissioner's endorsement No. 29(6) 2037 of 1/2 -3-1949, on my case in the past in this same connection :- ....

No. 29(6) 2037 of 1949.

Office of the Housing Commissioner,

Bombay, 1st/2nd March, 1949.

Passed on with compliments to the Secretary to the Government of Bombay, Public Works Department, for favourable consideration.

Mr. Patel has to his credit a service of about 17 years as District Local card Engineer, which post is of a higher status than that of a Deputy Engineer, ~~Government~~ while taking him into

Government Service as Deputy Engineer, Government has allowed him 14 advanced increments in lieu or his service in the District Local Board, Surat.

His case is therefore different from Deputy Engineers directly recruited or promoted from Overseers. For the purpose of getting increments in B.S.E.I., his service as gazetted Officer (B.S.E. II) and (B.S.E.I) amounts to 16 years against 6 years required under the rules, his request for allowing him to draw increments is reasonable and may kindly be acceded to

Sd/-
Housing Commissioner, Bombay.

Copy forwarded with compliments to the Provincial Iron and Steel Rationing Officer, Bombay with reference to his No 7178, dated 22-22 1949.

.....

It will thus kindly be seen that mine is a case which has been considered as worthy of special and exceptional treatment by my former Head also.

May I also respectfully state on this occassion with your kind permission, that I am due to proceed on leave preparatory to retirement with effect from 28-5-53, and if Government is not pleased to grant my above request, the consequence are likely to be very serious and will bring great hardship on me financially for the rest of my days, after a life of hard, devoted and conscientious work for long years under the Board and then under Government as my pension would be reduced substantially, by a sum of Rs. 350/- to Rs- 400/. per annum, year after year till I die, a hard lot

for a retiring personin his last years?
According to the pay allowed to me by the A.G. , Bombay I am at present drawing Rs. 650/- p.m. and am due to get Rs. 695/- p.m. subject to Government's kind permission to cross the efficiency bar as from 10-5-53. If Government is not pleased to grant my above request, I would not only not be able to rise to Rs. 650/. p.m. to Rs. 620/- p.m. as sincerely and keenly hoped for by me. but would on the other hand be reduced even from my present pay of Rs. 650/- p.m. to Rs. 620/- p.m. on the eve of my retirement. May I also beg leave humbly to state here that I have been striving ceaselessly and conscientiously ever since I set foot in Banas Kantha in August 1951 to raise the standard of this vast, difficult undeveloped Division, and bring about such amelioration as lay in my power in the lot of the backward and scarcity striken people of this part of the country consisting formerly of small states? In my humble view, the public works Department has now gained some recognition and a place in the hearts of the people of Banas Kantha as the people have seen the Banas Bridge at Deesa rising up speedily, the abu Road. Ambaji Road improved beyond recognition and asphalted, Deesa. Lakhani and Radhanpur - Harij Roads starting and going forward systematically*in a spirit of devotion to public Service, and various other small

*numerous scarcity relief works started and completed carefully.

and big works xxxxxxx xx of special repairs to buildings, irrigation tanks androads, and of an original nature such as public wells, etc., going forward? If a reference were to be made to the Collector, Banas Kantha in regard to the work of the P.W.D. in this district in the last 2 years, I feel that the report would be very gratifying and creditable to the P.W.D.

I may also mention here that under G.R., P.W.D. No. 6907/36 dated 10-10-48, Government has also been pleased to admit my entire service under the District Local Board, Surat, for purposes of pension in Government. It is therefore my humble submission that my previous service of about 17 years under the board which has been duly xxxxxx admitted by Government. for purpose of pension and for granting me 14 odd advance increments in B.S.E. II on entiring Government service should in fairness to me, kindly be treated, at least as the equivalent of 6 years as Deputy Engineer, if not more, as required in par a 1 of G.R., P.W.D. No. 156/48 dated 18-1-1949.

It is my earnest and sincere prayer to you, Sir, on this eve of my retirement from Government, that in view of what I have submitted above, you may kindly do me the favour of placing before Govern,ent clearly and firmly the facts and special circumstances of my case, and on grounds of merits and justice, persuade Government kindly to treat me as an exception from the provisions of paragraph xxxx 1 of G.R., P.W.D. No 156/48 dated 18-1-49, and allow me to draw my due increments as an officiating Executive Engineer, as from 10-5-47 onwards and thus save me from serious financial embarasement and an very hard

life in my last days. I shall be ever deeply and pro~~f~~ foundly greateful to you, Sir, and to Government for ~~th~~ this favour, which I earnestly and sincerely hope will not be refused to me.

Yours faithfully,
J.J. Patel.
30-4-53.
(Jashbhai Jivabhai Patel)

Encl: 6 copies.

Forwarded with compliments through the Superintending Engineer, N.G.C., Ahmedabad, with an earnest request strongly for which I shall be sincerely and deeply grateful.

*kindly to support and recommend my above request

No. 6946 of 1953.

Public Works Department,
Ahmedabad, 1, 7 May 1953.

Passed on with compliments to the Chief Engineer to Government, Public Works Department, Bombay for favour of further disposal.

2. In view of Shri Patel's service of about 17 years, as D-L.B. Engineer, his request regarding increment, may kindly be considered sympathetically.

Id/. 6-5-53.

CONFIDENTIAL. Palanpur, 28th April 1953.

To

The Superintending Engineer, N.G. C.,
Ahmedabad.

I have to bring to the notice of Government the extraordinary good work done by Shri. J.J. Patel the Executive Engineer, Banaskantha District, He showed great initiative and his human way of handling the famine struck people especially deserves high commend. There were no complaints and the people were happy. To relieve scarcity the effort put in by him for extending Gangasagar canhel in record time and in repairing the other 3 moner irrigation tanks also deserves credit. The other works in the District such as roads planning and upkeep of other Government building deserves special commends also and the way in which he has handled the work of the Ambaji road and the Banas bridge work which have progressed so speedily are a lso due to his special efforts. He has spared no pain which can be seen from his touring and has worked zealously day and night and haa earned a great name for the P.W.D. in this district.

PERSONAL. COLLECTOR'S BUNGALOWZ

Palanpur, 28th April 1953.

My dear sir,

I intend to write to you officially regarding the pay fixation and increment case of Shri. J.J. Patel our Executive Engineer, Banas Kantha, who I feel is getting a raw deal in this respect, in view of the splendid work done by him for the District.

I shall be grateful if you please let me know the way in which I should put up the case so that it could be considered favourably by Government in the P.W.D. and F.D.

The facts of the case are as under :

He was taken up in the P.W.D. from the D.L.B. Surat as a special case after 17 years service in the Board as Government approved D.L.B. Engineer and given a start of Rs. 350/- p.m. in B.S.E. Class II which was a cadre in the grade of, then Rs. 170/ 2-500 Thus giving him some 14 advance increments and all his previous service was admitted by Government for pension and other pruposes. Subsequently he was promoted as an officiating Executive Engineer and was posted as Iron Contfeller in Labour & Housing Department vide G.R. 156/48 of 18-1-1949. The question of his increments then arose and the Government in Labour and Housing Department did not worry about the P.W.D. orders but gave him his proppr

increments as an Executive Engineer should have got them.

Subsequently he was taken again in the P.W.D. and sent to Banas Kantha District as Executive Engineer. The Accountant General has given his due increments as Executive Engineer so far. Recently the Executive Engineer himself told the A.G's Office informally to check up on this as he was retiring. The Accountant General has thereafter made a reference to you under his No. G.V. BSE/5754 of the 13th February 1953, which asks for your confirmation of A.G's action. This has now to be given by you.

The appeal is against the old P.W.D., G.R. 156/48 of 18th January 1949 which precludes him from these increments.

If you take a view that he was given the 14 odd increments * in view of his experience and long service as a D.L.B. Engineer, which is definitely a superior post of any B.S.E. Class II post. it is but right that the 6 year ban should not be applied to him, but he should exempted from it as a special case- which I am sure if you take a lenient view can easily be done in view of his impending retirement as he would have a suffer a permanent loss year after year in his pension.

I would also like to refer to my special report made to you separately.

I am banking on your support in this especially deserving case and shall be grateful for your reply, to enable me to do the needful.

I hope everyone at home is well.

I am doing quite well here and hope to see you on my next visit to Bombay.

With regards to Mrs. Bambawale and Self,

I remain

Yours

(M.W.Desai) Id/- 29/10 Id/-

Shri. B.A. Bambawale, I.C.S.,
Secretary to Government, P.W.D.,
BOMBAY.

156/48/64537.

E.Br. P.W.D.

Submitted with reference to the F.D. note dated the 29-5-53.

2. L &H.D. File No. 64/48, Part III, containing the proceedings underlying G.M L &H.D. No. 64/48/3624 - E, dated the 12-2-51 is kept below. The papers may not be referred u e. to the F.D. along with that file 3½ attention in this connection is invited to the subsequent representation from Shri. J.J. Patel and the DO. from collector of Banaskantha.

Id/- 12-6-53.

Id/- 12-6-53.

A.S.(I).

U.e.r to the F.D, (with 64/48 Part III No. 156/48 dated the 15-6-53 and 156/48 Part III

Finance Department.
Br.VIII.

Submitted with reference to the Office note dated 28-5-53.

2. Please see, F.D. note dated 21-11-1950 underlying G.M. L. &H.D. No 64/48/52415 -E dated 12-12-1950. Please also see F.D. note dated 20-1-1951 underlying G.M. L &H.D. No. 64/48/3624-E dated 12-2-1951. It will be seen that Shri Patel was correctly allowed to draw increment

the B.S.E. Cl. I scale ~~duly received~~ during the period from 10-5-1947 to 27-1-49.

The question of ~~vacancy~~ recovery then five does not arise. His pay in the Executive Engineer's scale, may be fixed as indicated at 'B' in the P.W.D. Office note dated 25-3-53.

Id/-
14-7-53.

A.S(S) may please examine this case carefully.

Id/- 17-7-53.

It is clear from the P.W.D, note dated 10-1-51 underlying G.L. P.W.D. No. 156/48-E(1), dated 11-4-51, that Shri. J.J. Patel is entitled to draw annual increments in the Executive Engineer's scale of pay with effect from 27-1-1949 when he was appointed as temporary Executive Engineer after selection by the Bombay Public Service Commission. Hence the P.W.D. proposal to fix Shri Patel's pay from time to time, as at 'B' on page 8 ante, may be accepted by F.D.

2. Prior to his appointment as temporary Executive Engineer with effect from 27-1-49, Shri. Patel was appointed to the post of Deputy Iron and Settel Rationing Officer from 10-5-47 to 9-8-48 and as Provincial Iron and Steel Rationing Officer, Bombay, from 10-8-48. Both these posts were in B.S.E. Cl. I Scale of pay, but they were not treated as temporary addition to the P.W.D. cadre - vide G.L. P.W.D. No. 670/46/41975-E, dated 3-12-49. Under para 2 of G.M. Lab & Housing Deptt. No. 64/48/3624-E, dated 12-2-51, increments in the pay-scale applicable to these two posts were allowed. These orders need not be revised. However, the benefit of that service need not be given to Shri

Shri. Patel for purposes of increment in the B.S.E. Cl. I scale, after his appointment as temporary Executive Engineer with effect from 27-1-49. Then there will be no question of effecting rewovery of excess payment from Shri. Patel. The P.W.D. may be informed accordingly.
